

COVID-19 TRAVEL POLICY

Updated 01/19/22

Secret Garden Montessori requires unvaccinated travelers and residents returning from both domestic and international travel to self-quarantine at their home, hotel, or other temporary lodging and to follow the following protocol:

- If travel is unavoidable, travelers should consider getting tested with a viral test (not an antibody test) 1-3 days before the trip and **must** be tested 3-5 days after their return. A copy of the COVID test must be provided to the office for the student file.
- If travelers test positive, they should **self-isolate and may not return to school for at least 10 days after receiving the positive test.**
- If travelers test negative, they must **quarantine for a full 5 days after return from travel, returning to school on the sixth day.**

Quarantine is no longer required after travel if individuals are fully vaccinated or have recovered from COVID-19 in the past three months. Testing on day 3-5 in conjunction with self-monitoring is recommended for vaccinated individuals who are travelling internationally.
